

Start Smart™ Basketball

Shoots For The Stars!

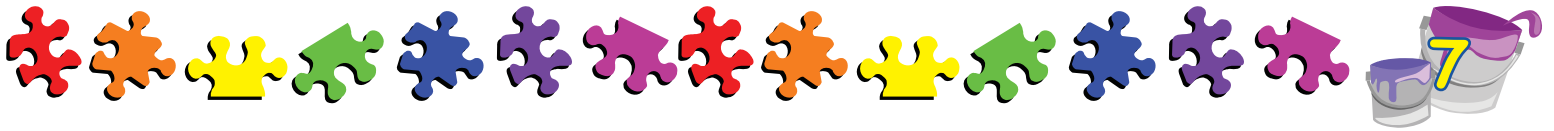

Start Smart™ Basketball is a developmentally appropriate program for girls and boys, ages 3-5, that prepares them for organized basketball in a fun, non-threatening environment. The program is designed to assist parents in supporting their children in development of the basic motor skills necessary to achieve success and confidence in basketball. Emphasis is placed on skill and sportsmanship for both parents and children. Age-appropriate equipment is used to teach proper technique in dribbling/ball handling, passing/catching, shooting and running/agility. This may be the first sports program you and your child will participate in together, so "start smart" for a lifetime of sports activity.
