2. Definitions
Multiple Housing Facility – A housing facility containing three
or more dwelling units under one roof.

City of Mt. Pleasant
Inclement Weather Cancellation Policy for
Residential Refuse Collection

Beginning March 1, 2011, the City's Inclement Weather Cancellation Policy for Residential Refuse Collection will be as follows:

1.  In heavy snow event situations, a representative of Allied Waste/ Republic Services will contact the City of Mt. Pleasant's Street Department Superintendent in the early morning hours to obtain information regarding road conditions and plowing progress within the City of Mt. Pleasant.

2.  After obtaining this information, the representative will contact the City's Director of Public Works to discuss service options.

    A.  Service may be delayed for up to two hours.
    B.  If option A has expired or deemed not feasible, then service will be canceled for that day.  The canceled day will not be made up and collection for the remaining days of the week, when applicable, will be on schedule.

3.  If refuse collection has been canceled for the day, Allied Waste/ Republic Services will furnish an additional truck on the following week's scheduled collection day to collect the accumulated refuse.  For example, if collection is canceled on a Thursday, two trucks will be sent to collect refuse on the following Thursday.  Note that, in rare cases, the Street Superintendent will serve as alternate to the Director when canceling service.
