**PRESS RELEASE**

On 11/14/2011, the Isabella County Commission on Aging and the Mt. Pleasant Department of Public Safety hosted a Prescription Drop Off Program. This collection allowed residents to drop off unwanted or outdated prescription medication from 8:30 am until 3:30 pm today. This ensures that the prescriptions were disposed of in a safe manner. It also kept the drugs out of the hands of people who would misuse them as well as keeping them from entering landfills and groundwater.

A total of 773 prescriptions, weighing over 38 pounds, were collected.
