**CONFERENCE OF
WESTERN WAYNE
FIREFIGHTER
TESTING PROGRAM**

JANUARY – DECEMBER 2019

**THE CWW FIREFIGHTER
TESTING PROGRAM**

The Fire Training Institute of Schoolcraft College, in collaboration with the Schoolcraft Testing Center, administers a pre-employment certification test. This test evaluates the written and physical qualifications of firefighter candidates. **All CWW applicants are required to take our CWW written and CPAT tests.** Successful completion of testing validates a candidate's ability to perform the critical reading and physical skills needed for entry level positions.

WRITTEN TEST

The written test measures work-related performance factors and basic firefighter knowledge.

PHYSICAL ABILITY TEST

The nationally recognized Candidate Physical Ability Test (CPAT) is a sequence of eight separate events, requiring progression along a predetermined path from event to event in a continuous manner. The pass/fail sequence was developed to determine firefighter candidates' ability to perform essential simulated tasks consistent with fire fighting. A description of the CPAT will be provided at registration.

All forms must be submitted at the time of the physical test. Forms will be provided at time of registration.

**2019 WRITTEN TEST AND
CANDIDATE PHYSICAL
ABILITY TEST (CPAT)**

Successful completion of both tests may be required by the communities of the CWW and other participating municipalities:
