Important Information to Applicants for Variance:

The Zoning Board of Appeals may grant Variances upon finding based on reasonable evidence that the Variance will not be detrimental to Adjacent property or the surrounding neighborhood and will not impair the intent and purpose of this Chapter. The possibility of increased financial return shall not of itself be deemed sufficient to warrant a Variance.

The Board's consideration of a Variance request shall be limited to the specific standard, requirement, or Use for which the Variance is requested and shall not include any other aspect of an application.

The Board cannot grant use variances.
