

# 2019 Construction Projects

---

## Major Street Projects

### Broadway Street: Bridge to Main Street

Reconstruction of the street including replacement of some curbing.

This work is scheduled for May 13-June 28.

### Maple Street: Mission to Brown Street

This project consist of the removal and replacement of the existing curb and gutter, asphalt and subbase. The project also includes 500 feet of water main replacement and 500' of 8" sanitary sewer extension.

This work is scheduled for July 8-August 16.

### Crapo Street Storm Sewer?

Extension of approximately 350' of storm sewer main on the east side of Crapo Street to service a proposed regional storm water detention system and future city road reconstruction project.

Schedule TBD – Summer 2019

## Local Street Projects – None in 2019

## Bridge Improvements

### West Broadway Bridge over Chippewa River

Riprap and bank restoration to protect bridge foundations from being undermined due to river flow.

This work is scheduled to begin in July.

### Lincoln Street Bridge over Chippewa River

This project includes riprap and bank restoration, and guard rail replacement to repair damage that occurred during the 2017 flood event.

This work is scheduled to begin in July.

## **Asphalt Crack Sealing**

Various streets will be crack sealed as part of the preventative maintenance program. This work is scheduled for April 22-May 10.

## **Asphalt Overlays**

A new layer of asphalt will be applied to the following streets as part of the preventative maintenance program.

- Bruce Street: Henry Street to dead end
- Greenbanks: Dead End to Canal
- Canal: Greenbanks to Dead End
- Glen: Gordon to May
- Locust: Oak to Pine
- Mill: Walnut to Oak
- Walnut: Dead End to Mill

## **Manhole Rehabilitation**

Various sanitary sewer manholes throughout the City will be rehabilitated.

## **Pavement Markings (paint markings)**

Various streets throughout the City will receive new paint markings.

This project is scheduled for June 10-July 3.

## **Pedestrian Lighting**

Pedestrian lighting will be installed on Clayton, Glen, May and Pleasant Streets.

Schedule TBD – Summer 2019

## **Sewer Main Relining**

Sanitary sewer mains in various locations will be relined.

## **Sidewalk Replacement**

Complaint locations and the sidewalk ramps on the streets that receive asphalt overlays this year.

This project is scheduled for April 22-May 31.

**Questions about any of these projects should be directed to the Division of Public Works at 779-5401.**
