CITY OF MT. PLEASANT, MICHIGAN NOTICE OF PUBLIC HEARING FOR MICHIGAN COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) FUNDING FOR THE HALF MILLION GALLON ELEVATED STORAGE TANK

The City of Mt. Pleasant will conduct a public hearing on March 27, 2017 at 7:00 pm in the City Commission Chambers, City Hall, for the purpose of affording citizens an opportunity to examine and submit comments on the proposed application for a CDBG grant.

The City of Mt. Pleasant proposes to request \$2 million in CDBG funds to erect and add a one-half million-gallon storage tank to the water system in order to eliminate low-pressure issues in the City's water distribution system. This project will benefit the entire City, including the 61.8% of our residents that are low to moderate income. No persons will be displaced as a result of the proposed activities.
