

# *Focus:*

## *Education*

### *Mt. Pleasant's educational system:*

- ***Includes an expansive elementary and secondary school system.*** The Mt. Pleasant Public School District includes over 4,000 students. The school district includes four K-4 elementary schools, two 5-6 elementary schools, three intermediate schools, a high school and a regional vocational/technical studies program. Two parochial schools provide additional opportunities.
- ***Provides unique post-secondary educational opportunities.*** Mt. Pleasant is home to Central Michigan University, one of only 15 public universities in Michigan. The school's current enrollment includes nearly 20,000 students in over 200 programs. Residents also have the opportunity to attend Mid-Michigan Community College's Mt. Pleasant campus.
- ***Is reflected by a highly educated public.*** 40% of residents aged 25 and older are college graduates. Moreover, 19% of the population has a graduate degree or professional degree.
