

SEASONAL MAINTENANCE WORKER – PARKS DEPARTMENT

Pay Scale: \$12.50 - \$15.00 per hour

General Summary: This position works under the direction of an employee of a higher classification to perform a wide variety of unskilled and semi-skilled labor tasks requiring considerable physical effort. Experience in gardening or horticulture, athletic field maintenance, painting, and grounds-keeping preferred. Tasks include maintenance of public parks, public spaces, properties and buildings, construction activities, cemetery maintenance, and athletic field maintenance. Operation of light duty trucks, power-driven equipment, and a variety of handheld and small power tools may be required. Performs a variety of cleaning and routine maintenance tasks and other related work.

Minimum Requirements: Education equivalent to completion of eleventh (11th) grade and at least six (6) months general laborer experience, or equivalent combination of education and experience; possession of valid Michigan driver's license and safe driving record; demonstrated proficiency in proper, safe, and efficient use of equipment and methods used in maintenance of buildings, grounds, and recreational activity areas; possession of necessary physical capabilities to safely perform related tasks; ability to maintain positive working relationships with the public, other employees, and alternative labor groups; ability to effectively understand, follow, and give oral and written instructions.

Hours per Week: Varies based on position.

Employment Duration: Varies with start dates in April, May, and June, lasting from twelve (12) weeks to nine (9) months.
