

Large Item Pickup Program

About the Program:

Provided by the City of Mt. Pleasant, the Large Item Pickup Program allows residents to place large items at their trash collection site or curbside (please see details below) for disposal. Each large item must be marked with a sticker issued by the City.

Stickers are \$15 each and can be purchased at City Hall, 320 W. Broadway St., or from a Code Enforcement Officer.

How does the program work?

- A single Large Item sticker must be affixed to each item.
- Items must be placed at your City trash collection site by 7:30 a.m. on your City trash collection day.
- If you do not receive City trash collection service (City bag or tag), please place items curbside by 7:30 a.m. on the City trash collection day for your area of residence (City trash collection days can be found on the back of this page).

Stickers are non-refundable. If you have questions, please call 989-779-5401 before using the sticker.
